

Dear Editor of The Indonesian Biomedical Journal,

Enclosed is a research article titled "Basal-Like Subgroup is Associated with Younger Age and Increased Expression of Androgen Receptor in Indonesian Triple Negative Breast Cancer" to be evaluated for publication in The Indonesian Biomedical Journal.

I would like to state that this research article manuscript has never been published elsewhere, accepted for publication elsewhere, or under review for publication elsewhere. All the co-authors listed below have seen and approved the manuscript for submission.

Best regards,

Ibnu Purwanto
